If the watchman is doing any work that comes under any other classifications in this Agreement, he shall be governed by the working rules and rates that the work comes under. Watchman shall be furnished transportation on jobs where travel is necessary or satisfactory arrangements made. The Employer shall be allowed to work his watchman in shifts of eight (8) hours or less if the Employer so chooses. Time and one-half shall be paid for all Holiday work.

ARTICLE XIII GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. Any dispute concerning the interpretation or application of this Agreement between an Employer and the Union shall be adjusted by the particular Employer and Union, in the first instance. Jurisdictional disputes (that is, competing claims for the assignment of work) are not subject to being processed through this grievance procedure.

Section 2. In the event that the matter is not settled, the Union may file a written grievance, which shall be submitted to a Joint Grievance Committee (hereinafter the "JGC") comprised of three (3) Employer representatives selected by MARBA and three (3) Union representatives selected by the CONSTRUCTION AND GENERAL LABORERS' DISTRICT COUNCIL OF CHICAGO AND VICINITY, which shall convene monthly. The JGC shall adopt its own rules of procedure. The Union must file the grievance within forty-five (45) days of the date of the occurrence giving rise to the grievance or when the affected Employee knew or reasonably should have known of the existence of the grievance. Grievances not filed within the forty-five (45) day period are deemed waived and are not subject to being processed through this procedure. The determination of the JGC shall be governed by majority vote, provided that the Employer representatives and Union representatives shall have equal voting power. If decided by majority vote, the grievance determination and any relief determined to be appropriate shall be final and binding upon all parties. Laborers who prevail in their grievances shall be compensated for two (2) hours lost time to attend the JGC Grievance hearing. Grievances shall be dismissed if the grievant fails to appear at the scheduled hearing and no continuance is granted by the JGC.

Section 3. In the event that the JGC is deadlocked upon the disposition of a grievance, then the Union or the Employer may refer the matter to arbitration by so notifying the other within thirty (30) days of the date of the JGC decision. The moving party shall obtain a list of seven (7) arbitrators from the Federal Mediation and Conciliation Service, provided that all arbitrators maintain their principal office in the Chicago area. The party selected by lot shall strike the first name from the list, then parties shall alternately strike names from the list until one arbitrator remains.

Section 4. The decision of the arbitrator shall be final and binding upon all parties. The arbitrator shall not be empowered to amend, alter or add to this Agreement. The arbitrator's expenses shall be jointly paid by the Employer and the Local Union between whom the grievance exists.

Section 5. Any party who fails to comply with an award within seven (7) days' notice of an arbitrator's award or the JGC determination shall be responsible for an additional ten percent (10%) liquidated damages on any monetary award and all court costs and reasonable attorney fees actually incurred by the party enforcing the award.

Section 6. With regard to this Article, the Union reserves its right, and it shall not be a violation of this Agreement, for the Union to strike, picket and/or withdraw its Employees from any Employer who fails to pay wages or fringe benefits as required under this Agreement. Except as provided in this Article, there shall be no strike, slowdown, withdrawal of men or other concerted refusal to work by the Union or the Employees during the term of this Agreement. Further, there shall be no lockout by the Employer. The Employer further agrees that no punitive action shall be taken against its Employees if said Employees refuse to cross a picket line that may be placed on the job or project of their Employer.

Section 7. Wage Audits. Where the grievance concerns wages that are reflected in a wage audit showing a pattern or practice of wage underpayment, the grievance must be filed within forty-five (45) days after the Union's receipt of the audit. The recovery of any wages shall be limited to the two-year period preceding the grievance filing date (or three years if so determined for cause by the Joint Grievance Committee). In cases where an Employee was knowingly complicit in the underpayment of wages, that Employee shall be limited to receiving unpaid wages from the last forty-five days and the additional amounts assessed against the Employer shall first be paid to defray the audit costs and thereafter as directed by the Joint Grievance Committee.

ARTICLE XIV UNION SECURITY

In cases where any Employer shall secure work in areas not within the territorial jurisdiction of the Union and desires to employ workers who are members of the local Unions which are parties to this Agreement, he may do so, provided all rules in force in said areas are complied with, and the wages are not less than the established wages in said area.

ARTICLE XV SUBCONTRACTING

Section 1. On work covered by this Agreement, the contractor or subcontractor agrees to see that all subcontractors on work within the Union's jurisdiction on this job site adhere to the wages and fringes contained in this Agreement when the subcontract is let by the contractor or subcontractor. If, upon the Union's request, the subcontractor chooses to sign a current labor agreement with the Union (although such signing might not be required under Section 1), then the contractor shall be relieved of any liability under this Section 1.

Section 2. The Employer agrees that it will not contract or subcontract any work covered by this Agreement to be done at the site of construction, alteration, painting or repair of a building, structure or other work, except to a person, firm or corporation that is party to the applicable collective bargaining agreement with the Union.

Section 3. If an Employer, bound to this Agreement, contracts or subcontracts any work covered by this Agreement to be done at the jobsite of the construction, alteration, painting or repair of a building, structure or other work to any person or proprietor who is not signatory to this Agreement, the Employer shall require such subcontractor to be bound by all the provisions of this Agreement, or the Employer shall maintain daily records of the subcontractor's or the subcontractor's Employees jobsite hours and be liable for payments to the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity, the Laborers' Pension Fund and the Construction and General Laborers' District Council of Chicago and Vicinity Joint Apprenticeship and Training Trust Fund as provided in Article VIII, Sections 3-4a inclusive, and Article X of this

Agreement.

ARTICLE XVI BONDING

Section 1. All Employers shall procure, carry and maintain a surety bond in form and amount satisfactory to the Union, but not less than in the principal sum of \$5,000, to guarantee payment of wages, Pension and Welfare Trust contributions, during the term of this Agreement.

Section 2. If the Employer employs between seven (7) and ten (10) Laborers, the surety bond shall be increased to \$15,000, if the Employer employs between eleven (11) and twenty (20) Laborers, the surety bond shall be increased to \$25,000. If the Employer employs twenty-one (21) to forty (40) Laborers, the surety bond shall be increased to \$35,000. If the Employer employs forty-one (41) or more Laborers, the surety bond shall be increased to \$45,000.

Section 3. Contractors shall be required to obtain an appropriate bond within thirty (30) days of executing this Agreement, which bond may also be posted in cash. Should the Employer fail to comply with the provisions of this Article, the Union may withdraw its Employees or strike until such compliance occurs, and the Employer shall further be liable for all costs, including attorney's fees, incurred in enforcing these provisions.

Section 4. Withdrawal of Employees. If the Employees are withdrawn from any job in order to ensure compliance with the provisions of this Article, the Employees who are affected by such stoppage of work shall be paid for lost time up to sixteen (16) hours, provided that two (2) days' written notice of intention to remove Employees from the job is given to the Employer by the Union. These lost time amounts may be collected only from the contractor with whom the Union has a dispute and the Union shall not pursue collection efforts from any other entity. This lost time liability shall not apply if the Employer produces the required bond before expiration of the two (2) day notice period.

ARTICLE XVII SHOW-UP AND NOTIFICATIONS

Section 1. Show-Up Time. Any Employee who shall report for work because of the failure of the Employer to have notified him on the preceding day that there would be no work shall be allowed two (2) hours show-up time. The Employer shall not be required to pay show-up time in such cases where the failure to put the workman to work is due to bad weather provided that the Employer has notified the Employee by telephone or has required in writing that the Employee call before he departs from home. **The Employer must provide a definite and available phone number and must post this provision on each job site.**

Section 2. Except in instances where prior notice is impossible because of causes beyond his control, a member of Local Unions shall, on the day preceding when he cannot report for work, notify the Employer of the fact or forfeit two (2) hours' pay.

Section 3. Whenever a workman shall start work, the employment shall not be for less than a period of four (4) continuous hours.

Section 4. Whenever a workman or regular Employee shall report for work at the stated starting time and is not put to work, but is requested by the Employer to remain available at the job site, he shall be paid for such time he is asked by the Employer to remain at the job site from the starting time.

Section 5. If any Employee of the Employer works any time in excess of four (4) hours after the starting time of any day, and he does not finish the day at work through no fault of his own, he shall receive eight (8) hours' pay.

**ARTICLE XVIII

Except for the Welfare Agreement and Declaration of Trust, the Pension Agreement and Declaration of Trust, and Agreement and Declaration of Trust of the Fox Valley Construction Industry Advancement Program, referred to in Article IX, this represents the entire agreement to the parties, it being understood that there is no other Agreement or understanding, either oral or written. The Employer understands that the Union is a fraternal society and as such, and, in keeping with the provisions of the Labor Management Relations Act of 1947, as amended, has the right to prescribe its own rules and regulations with respect to the acquisition or retention of membership within the Union or any other matters for its own use. However, such rules or regulations whether contained in a bylaw, constitution or otherwise, shall have no effect, directly or indirectly upon this collective bargaining agreement, any employment relations or the relationship between the parties.

Section 1. Supervisors. The parties incorporate the CISCO Uniform Drug/Alcohol Abuse Program, as modified, attached hereto as the Addendum.

It is recognized that some client owners require additional substance abuse procedures to be followed on their projects for all trades, and it shall not be a violation of this agreement for signatory Employers to comply with such procedures, provided prior written notification is given to the District Council.

**ARTICLE XX
CONTRACT DURATION**

Section 1. This Agreement shall remain in full force and effect until May 31, 2017. After May 31, 2017, this Agreement will automatically renew itself from year to year unless either party shall notify the other in writing at least sixty (60) days prior to the expiration date. The parties agree to meet with each other five (5) days after giving or receiving such notice with the end in view of either modifying this Agreement or negotiating a new one. This Agreement shall continue in effect from year to year thereafter and specifically adopt any Agreement entered into between the Union and the Fox Valley Associated General Contractors subsequent to the expiration date of the Agreement herein adopted unless notice of termination or amendment is given in the manner provided herein.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their authorized agents and representatives on or as of June 1, 2013. Should any part of this Agreement conflict with the Federal or State Laws, that part shall be declared null and void.

V. Drug/Alcohol Testing

The parties to this policy and program agree that under certain circumstances, the company will find it necessary to conduct drug and alcohol testing. While "random" testing is not necessary for the proper operations of this policy and program, it may be necessary to require testing under the following conditions:

- a. A pre-employment drug and alcohol test may be administered to all applicants for employment. Employees recalled to work by an Employer, and Employees referred to an Employer by the Union who are requested to be tested, shall be compensated at their regular hourly rate of pay for the time required in such testing;
- b. A test may be administered in the event a supervisor has a reasonable cause to believe that the

Employee has reported to work under the influence, or is or has been under the influence while on the job; or has violated this drug policy. During the process of establishing reasonable cause for testing, the Employee has the right to request his on- site representative to be present;

- c. Testing may be required if an Employee is involved in a workplace accident/incident or if there is a workplace injury;
- d. Testing may be required as part of a follow-up to counseling or rehabilitation for substance abuse, for up to a one (1) year period.

Each Employee will be required to sign a consent and chain of custody form, assuring proper documentation and accuracy. If an Employee refuses to sign a consent form authorizing the test, ongoing employment by the company will be terminated.

Drug testing will be conducted by an independent accredited laboratory (National Institute on Drug Abuse and/or College of American Pathology), and may consist of either blood or urine tests, or both as required. Blood tests will be utilized for post accident investigation only.

The company will bear the costs of all testing procedures.

VI. Rehabilitation and Employee Assistance Program

Employees are encouraged to seek help for a drug or alcohol problem before it deteriorates into a disciplinary matter. If an Employee voluntarily notifies supervision that he or she may have a substance abuse problem, the company will assist in locating a suitable Employee assistance program for treatment, and will counsel the Employee regarding medical benefits available under the company or Union health and welfare/insurance program.

If treatment necessitates time away from work, the company shall provide for the Employee an unpaid leave of absence for purposes of participation in an agreed upon treatment program. An Employee who successfully completes a rehabilitation program shall be reinstated to his/her former employment status, if work for which he/she is qualified exists.

Employees returning to work after successfully completing the rehabilitation program will be subject to drug tests without prior notice for a period of one year. A positive test will then result in disciplinary action as previously outlined in this policy and program.

WORK RULES COMMITTEE

The Union and MARBA together shall create a Work Rules Committee consisting of an equal number of members representing each party with no more than three (3) persons from each. Alternate members may be appointed. The purpose of this Committee shall be to consider, discuss, and propose, under appropriate circumstances, Work Rule changes to the Agreements.

No discussions by or meetings of the Committee shall be considered to be a reopening of the Agreements. At all times, the no-strike and no-lockout provisions of the Agreements shall remain in full force and effect.

Any Work Rule changes proposed by the Committee must be ratified by the Union and MARBA.
